

Mutual of Omaha Investor Services, Inc. Text Message Program

You have arrived at this page because you have either requested or are looking for more information about the Mutual of Omaha Investor Services, Inc. ("MOIS") Text Messaging Program ("Program"). This Program applies to text messages sent and received by a MOIS Representative ("Representative").

This Program allows text communication with a Representative at a specified mobile number. All text messages sent through the Program will be sent by a Representative, or from another individual that is authorized to send messages on behalf of an MOIS Representative.

If you respond **YES** to receive further communications from a Representative, you are providing *prior, express, written* consent to continue receiving text messages from a Representative. MOIS does not charge for any content sent through this Program; however, you may incur additional charges and fees from your wireless carrier if you exceed your selected text message plan agreed upon by you and your provider.

You may choose to opt out of text messages by texting **STOP** to the phone from which you received a text message. You may also opt out by informing a Representative or MOIS that you wish to opt out. You may choose to opt out at any time. You will not receive any further calls or text messages on the mobile number from which you text STOP, or otherwise designate.

Any text messages sent from, or received by, a Representative may be monitored and stored by MOIS. MOIS cannot guarantee that information sent via text messaging is confidential. Please do not send, or request to be sent, any personal information through text messages with an MOIS Representative.

We reserve the right to occasionally modify this Program and policies, so please check back here for any updates. Whenever you respond **GETINFO** to a conversation with a Representative, you will receive a link to visit this page again. Please continually check the information provided for additional requirements.

Please contact MOIS if you would like to update your contact information or have any questions.
