Fund performance figures shown are net of investment and administrative fees. Your plan's specific returns may be lower. An administrative fee of 0.00% is reflected. Also, current performance may be lower or higher than the performance data quoted above. Contact your plan administrator or access your online account for your plan's returns current to the most recent month-end.

All investment performance figures shown are net of investment expenses, but before any applicable contract or plan charges. Had these charges been reflected, the returns may be lower.

All funds may not be available as an investment option in a plan. Plans may also offer other investments that are not listed above. Figures are reported on a total return basis, which is the change in value of an investment over a given period, assuming reinvestment of any dividends and capital gains. Investments assume a lump sum is invested at the beginning of the time period shown. The results for individual accounts and periods may vary. You cannot invest directly in an index. Index names may contain trademarks and are the exclusive property of their respective owners.

There is no guarantee the funds will achieve their objectives, and past performance is no guarantee of future returns. Fund value and investment returns will vary, and principal value, when redeemed, may be worth more or less than the original investment. The funds are not insured by the FDIC or by any other governmental agency; they are not obligations of the FDIC nor are they deposits or obligations of or guaranteed by the investment managers or their organizations. International investing involves special risks, such as political instability and currency fluctuations.

* Returns less than one year are not annualized.

Highlighted funds are the funds that have been selected by the plan sponsor, if applicable.

¹⁵The Guaranteed Account is an individual investment choice and is not part of the program used by Mutual of Omaha to monitor investment options in the Retirement Savings Program. The illustrated returns are intended for historical comparison only and are not intended to represent actual returns for any individual contract. Actual returns will vary for each contract and will depend on the timing of the deposits and withdrawals. For this illustration, returns are calculated assuming that a \$100 deposit is invested at the beginning of each month (starting 12/91), held in the contract for five years and then withdrawn with interest at the end of those five years. The resulting returns are the weighted average of the initial guaranteed rates for the prior 60-month period. Note: Investors who redeem, transfer or exchange any amount out of the Guaranteed Account must wait 60 calendar days before transferring or exchanging any amount back into the Account. A Liquidation Charge may be assessed on any Employer Directed Withdrawals.
