

A Comparison of Premiums and Protection

With a Life Protection AdvantageSM policy, as long as the client continues to pay no less than the long-term no-lapse protection premium, they have a guarantee that their policy will last to at least age 90 or beyond.¹

The comparison below shows how protection-focused IUL policies compared when carrying premium guarantees to age 90. And, qualifying policies come with a Guaranteed Refund Option (GRO) rider, that offers the client a refund of premiums if they no longer need their coverage — up to 50% at the end of year 15 and 100% at the end of years 20 through 25.²
