# Pick a Medicare Advantage plan that supports your health needs.

Take a moment to assess your health needs. Make a list. Prioritize it. Then evaluate your coverage options based on those needs. That'll make choosing the right Medicare Advantage plan a whole lot easier. Here's a brief list to help you get started:

- Prescription drug coverage with \$0
  Tier 1 generic drugs
- Dental benefits
- Vision benefits
- ) ( Hearing benefits
- Rides to and from the doctor or pharmacy
- Over-the-counter health items
- Telehealth online doctor visits
- 24-hour nurse line
- Fitness benefits

Read on to learn more about your Medicare Advantage options. →

## Are you eligible for Medicare?

#### You can enroll in a Medicare plan if:

- · You are about to, or have recently, turned 65
- You have a chronic health condition
- You are losing your retiree health coverage
- You are under the age of 65, but have received Social Security disability benefits for at least two years
- · You are turning 65 and currently have Medicaid coverage

#### For more information call:

**1-800-MEDICARE (1-800-633-4227) TTY users may call 1-877-486-2048.** 24 hours a day, 7 days a week

Or visit www.medicare.gov.

### The parts of Original Medicare

Part A
Hospital Coverage

Part B
Medical Coverage

#### The optional parts of Original Medicare

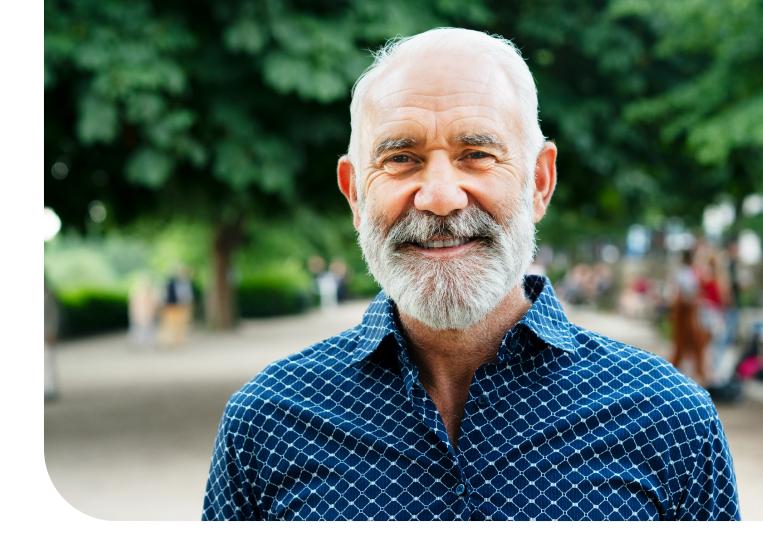

**Part C**Medicare Advantage

Part D
Prescription Drug Coverage

Most people are automatically enrolled in Medicare Part A when they turn 65. Once you enroll in Part B, you can select your Medicare Advantage plan. Make sure you enroll in a plan with prescription drug coverage.

# Are you paying too much out-of-pocket?

Did you know that original Medicare only covers about 80% of your expenses? With Original Medicare, you might be paying out-of-pocket for copays, premiums and extra benefits you need to be healthy.

Medicare Advantage plans cover many of those expenses at no additional cost to you.

# Important questions you should be asking.

Choosing the right Medicare Advantage plan can be easier than you think—if you know what to look for. There's a lot to consider as you explore your healthcare options, but if you start by asking these important questions, it will help you find a plan that fits.

#### Does the plan cover my prescription drugs?

Original Medicare does NOT cover prescription drugs. But just because a Medicare Advantage plan offers prescription drug coverage, that doesn't mean your specific drugs are covered. Be sure to check the prescription drug formulary of the plans you're considering to see if your drugs are covered—and find out how much they'll cost.

## Does the plan have a strong network of local doctors and hospitals?

Before you enroll in a plan, check to make sure its network includes the doctors you'd like to see, as well as your preferred local hospitals.

#### Am I missing out on any supplemental benefits?

A Medicare Advantage plan covers everything Original Medicare does, PLUS EXTRA benefits like dental, vision, hearing, over-the-counter allowances and transportation.

## We're happy to help.

A Wellcare Licensed Agent is ready to answer your questions. 855-389-3155 (TTY: 711)

#### Is this plan a good overall value?

A plan's value is about much more than monthly premiums, and can include important extra benefits. You should be asking: Is there a maximum out-of-pocket limit? Does the plan offer an allowance for over-the-counter health items? Does it have the supplemental benefits you need? Having access to the benefits you need can greatly increase the plan's value.

#### When can I enroll?

Generally, you can enroll in Medicare and join a Medicare Advantage plan when you first turn 65. You can change your plan each year during the Annual Enrollment Period.

## When can you first enroll in Medicare?

The Initial Enrollment Period (IEP) is based on the month of your 65th birthday. You can enroll as early as **three** months before your birthday month or as late as **three** months after your birthday month.

## When can you change your plan?

All Medicare recipients have an opportunity to change their healthcare coverage during the **Annual Enrollment Period (AEP)**, which begins on **October 15** and ends on **December 7** each year. The choices you make during the Annual Enrollment Period will take effect on January 1 of the upcoming year.

## **Special Enrollment Periods**

There are special circumstances in which you may join a Part C or Part D plan at other times of the year, including:

- · if you are on both Medicare and Medicaid
- · if your current plan is terminated
- $\boldsymbol{\cdot}$  if you move to a new residence in a new service area

There are other special circumstances where you may qualify for a Special Enrollment Period.

If you have questions, call us at **855-389-3155 (TTY: 711)**.
