

Catch Up on the Latest Insights in Employee Benefits

WINTER 2025 WRAP-UP

Mutual Viewpoint keeps you current on industry developments plus the latest insights and resources at Mutual of Omaha. Here's a look at what's new this season.

Update: Paid Family and Medical Leave

With Minnesota, Delaware and Maine preparing to launch new Paid Family and Medical Leave (PFML) programs in 2026, many employers are finding themselves in unfamiliar territory. Learn how our deep and proven expertise can guide you through PFML with clarity and confidence. [Read the article](#) or [listen to the podcast](#).

Support Employees With Supplemental Health Products

Mutual of Omaha offers supplemental health products that help employees manage out-of-pocket medical costs. Accident, critical illness and hospital indemnity insurance provide added financial protection. Learn more. [Read the article](#) or [listen to the podcast](#).

Nourishing Employee Mental Health Through Gratitude

Gratitude and support are powerful tools for strengthening employee mental health. Learn how simple acts of appreciation can motivate your employees, boost engagement and build a thriving workplace culture. [Read the article](#) or [listen to the podcast](#).

Introducing LeaveReady: A Guide to Smarter Leave Planning

LeaveReady helps employees and HR teams easily plan and navigate leave, making the process clear, simple and stress-free. [Read the press release to learn more.](#)

A Moment of Gratitude from Scott Ault, President of Workplace Solutions

Reflecting on the year gone by, expressing our gratitude and sharing excitement for what's to come. [Watch the video.](#)

Travel and ID Theft Assistance

Holiday travel and online shopping raise risks like lost documents, emergencies and identity theft. Travel and ID Theft Assistance offer 24/7 support, giving employees help on the road and protection if their identity is compromised. [Read the article.](#)
