

# BOOKMARK FRIENDS

1

Color your animal friend.  
(Use your imagination!)

2

Use scissors to cut out  
each animal.

3

Carefully cut around the front  
legs of the animal on the  
dotted line. (They'll need to be  
flaps, so don't cut them off!)

4

Hang the front legs over the  
page of the book you're reading,  
and your animal friend will be  
there to keep you company.
